MOTION *Re.* FLOOD SITUATION IN THE STATE,

Motion to consider

2-30 P.M.

Sri KADIDAL MANJAPPA (Minister for Revenue).—Sir, I beg to move:

"The situation arising out of the recent floods in the State be taken into consideration."

Mr. SPEAKER.—Motion moved:

"That the situation arising out of the recent floods in the State be taken into consideration."

†Sri KADIDAL MANJAPPA.—Mr. Speaker Sir, on the opening day of the present Session, the Hon'ble Members of this House expressed a desire to discuss the situation caused by heavy rains and floods in the State. In accordance with the desire of the Hon'ble Members, the subject has been taken up for discussion today. I submitted on that day that it was not possible for the Government to collect all the information regarding the damage caused to the public as well as private properties. The rains and floods have not yet abated and the havoc is still continuing. In some parts of State, officers are solely engrossed in the task of evacuating the marooned people and giving immdiate relief to the sufferers. Therefore, it has not been possible for them to collect details and give accurate information with regard to the damage caused particularly to agricultural lands and the crops standing thereon.
